General Evacuation & Accountability Procedures

In the case of a Fire or Building Evacuation the following steps must be followed:

1. All students and staff must leave the building utilizing their assigned exits. (See Above). All students and staff are to report to the main parking lot.
2. Security Team will bring the visitor list and orange parking cones outside.
3. Security team will block off parking lot entrances and exits.
4. Staff/students that are physically challenged should be placed in the safe area on each floor at the top of designated stairwells. The designated stairwells are in the front closest to the Gym, and the one at the rear of the building. The safe area is the landing at the stairwell outside the fire doors. **Ms. Quinones** (if absent - **Ms. Stannard**) and **Ms. Zajac** (if absent – **Mr. Kelley**) will assist them from this location.
5. Upon exiting the building, all staff members must carry a copy of their class list. Teachers should leave an emergency attendance list with a copy of the emergency attendance report in each classroom they use. This file should be conveniently located and labeled so a substitute teacher can easily access this information.
6. No one is allowed to go to their lockers or anywhere else during an emergency. Students and staff are expected to exit the building as quickly and safely as possible.
7. The administrative team will check each floor before exiting the building.
8. During this entire process, all students and teachers must remain together at all times.
9. Once outside in your designated area, all teachers are responsible to take student attendance. Names of students who are missing must be entered on the Emergency Exit Attendance Report in the proper sections. Students and staff are not allowed to sit in cars located in the main parking area.
10. School Counselors and the Social Worker will rotate around to collect the Emergency Exit Attendance Reports. (Please see attached map with area and counselor assignments.) They will bring the reports to **Mr. Giardini** who will be located in the front of the main parking area on the auditorium side. In the event that **Mr. Giardini** is absent, **Ms. DiCocco** will fill in.
11. If students are missing, **Mr. Giardini** will use mega phone to call students and/or report the names to the outside administrator.
12. Ms. Love will be responsible for taking the student early dismissal log, staff attendance sheet, staff sign-out log, and master student/staff list outside. If **Ms. Love** is absent, **Ms. Blowes** will be responsible for this.
13. If a student is removed from class by support staff, that person is responsible for that student and will assist them during the emergency.
14. Once all students and staff are accounted for, attendance sheets will be submitted to the outside administrator.

Evacuation During Lunch Waves

1. If the building needs to be evacuated during the lunch period, all students and staff will follow the above directions.
2. Students that are in the cafeteria will report to the main parking area and find the designated section for the class they have that block.
3. Teachers who have students in the cafeteria will report to their department designated area of the main parking lot and meet their students

Evacuation Before School Begins

1. If the building needs to be evacuated before 7:35 am, all students and staff must exit and report to the main parking area.
2. All staff should follow the above building evacuation procedures.
3. Students should report to the designated area for their period 1A or 1B class. Students should find their teacher to report in.

4. Teachers should report to their designated department area of the main parking lot. Teachers should take attendance for their 1A or 1B classes and follow the above procedures.

NURSE

The Nurse will be located in the front of the main parking area of the building (auditorium side near Mr. Giardini). She will be equipped with first aid equipment, student medication list (only critical medicines) and she will be available to handle most medical emergencies. Regarding staff medications, it is the decision of respective staff members as to whether they wish the nurse to store such materials, and if that is desired, the respective staff member must make such arrangements independently with the school nurse. Rose Zajac will be equipped with first aid equipment in the event the nurse is absent.

ADMINISTRATIVE RESPONSIBILITY

During an emergency evacuation the administrative team will:

1. Check all floors for students and staff.
 - a. Lead for Coordination – Zakia Parrish
 - b. First Floor – Zakia Parrish
 - c. Second Floor – Edmonds-Duff
 - d. Third Floor – Ciarcia
2. All of the above administrators will report outside to the main parking area.
3. The Principal and other administrators will assess the situation and proceed as necessary.

Key personnel in the building certified to use a defibrillator are.

**Rose Zajac
Dr. Wendy Decter**

**Clinic P.A.: Alison Moriarity-Daley
School Nurse: Caitlin Bruni**

If a cardiac emergency should occur in the building during the school day, a **CODE BLUE** alert will be broadcast over the PA system. The following guidelines have been set up for staff to follow:

1. When the main office receives a call (5000, 5001 and 5002) or Security (5007) that a cardiac emergency has occurred, a staff member or security officer will ask you (the caller) to identify yourself and give the location of the emergency.
2. Security or the main office will announce over the PA system that there is a **CODE BLUE** and give the location of the emergency. The person who receives the call in the first place will initiate the call to 911. They will also page **Rose Zajac or Michael Giardini** at the following numbers in case they are in locations that the PA system does not reach.
3. The same person who calls to alert the ambulance will also relay the information that there are EMT staff persons already on scene who have a defibrillator. The school nurse will proceed directly to the location. **Rose Zajac or Michael Giardini** will collect the defibrillator and the oxygen and proceed to the location. Should an emergency occur of this nature and the above named personnel need to respond, the administration will take care of sending coverage to their classes.

All staff in the building are to be aware of these steps and should be able to advise and assist any students who find themselves in a situation where their instructor has been stricken. Students will be instructed to go to the nearest classroom for assistance.

Additional staff members who are trained to use the defibrillator include the Physical Education Department and athletic coaches.

COMMUNICATION

Principal and/or Assistant Principals

- Distribute preparation and response manual to all staff; review twice yearly during staff meetings
- Review lockdown and All Clear signals – (Quarterly)
- Practice drills three times per year with entire staff and student body
- Investigate all rumors, verbal or written threats and take immediate action

Administrative Responsibility by Floor during a Crisis

- Lead for Building – Zakia Parrish
- First Floor – Zakia Parrish
- Second Floor – Mia Edmonds-Duff
- Third Floor – Stephen Ciarcia

Teachers

- Practice emergency procedures with students three times per year.
- Emergency procedures are always in substitute folders and posted in classrooms.
- Evacuation maps are clearly posted in classrooms.
- Once outside in your designated area, all teachers are responsible to take attendance and monitor students. Names of students who are missing must be entered on the Emergency Exit Attendance Report in the proper sections.

Communication

- All emergency responders, nurses, teachers, custodians, parents/guardians, support personnel and students will have current Crisis and Emergency Exit Attendance Report information provided to them at the beginning of the school year.
- **ParentLink** – this communication system provided by New Haven School District is currently on-line and phone ready to contact all parents, staff and students in case of an emergency.
- **Telephone Message** (example) – This is _____, (a staff member) at Hill Regional Career Magnet High School. Your son/daughter _____ has been involved in an accident at the school. Could you please come to the school? I'm sorry, but I don't have any details as yet. Please ask for me, Mr. / Mrs. _____ in the main office.

Media

- All media requests should be referred to Abbe Smith, at the NHPS Office of Communication. All media present will assemble in the library media center and wait for Ms. Smith.
- Inform Principal/Designee as soon as a request has been made.

HILL REGIONAL CAREER MAGNET HIGH SCHOOL

Dr. Zakia Parrish, Principal

Dear Parents,

Maintaining a safe school requires constant care, awareness, and coordinated effort on the parts of all of the members of the school – staff, students, parents and municipal/community organizations. At a time when school-related emergencies and acts of violence have occurred with increasing frequency, it is especially important that every member of the school community is aware of and follows the important procedures described below.

Building Evacuation:

- In the event of a fire alarm or other similar emergency, students and staff will follow the posted Building Evacuation map that clearly identifies designated evacuation areas on school grounds.
- Attendance will be taken at the designated area several times during the evacuation. Evacuations are emergencies, not times for socialization. To ensure that the staff knows your child's location and status, your child **must** report to and remain in this area – not reporting to or leaving the designated area will be grounds for suspension.
- During an evacuation, no-one should use a cell phone, as the caller's position is traceable via GPS, and explosives are commonly crafted to detonate via any cell phone signal. This is for your child's safety.

Lockdown:

- In the event of an inside crisis that necessitates students and staff remaining in the building for safety, students and staff will follow the Lockdown Plan.
- During a Lockdown procedure, it is essential that all students follow the plan.
- During a Lockdown procedure, no-one should use a cell phone, as the location of callers can be identified through the phone's GPS system. This is for your child's safety.
- During a Lockdown procedure, no-one is allowed to leave OR enter the building.

Post Lockdown:

- You will be provided as much information as possible via telephone recording (Parentlink), letter, or where appropriate, both.

Please review these procedures with your child so you both are aware of and familiar with them. If one or more of these plans are in effect, in order to ensure the safety of all members of our school, it is important that everyone follow the rules. If you have questions, feel free to call or stop by the school.

Hill Regional Crisis Response Team

SUPPLIES

Each administrator will maintain a crisis response bag in their office. The bag will contain:

- First aid supplies (Flashlight, latex gloves, bandages, gauze, disinfectant, and scissors.)
- Pen and paper
- Names and numbers of Crisis Intervention Team Members
- Fire extinguisher
- Student Medication list (see nurse's office)
- Master schedule
- Floor plan of entire building
- Main cell phone (Dr. Parrish)
- NHPS Preparation and Response Crisis Manual

STUDENT PICK- UP

Parent/Guardian/Adult Pick-Up

- During an emergency, parents who wish to pick-up a child or their children must see Office Clerk and/or Parent Liaison to sign-out a child. Parents will be asked to provide proper identification before a child can be released.

I. Names and phone numbers of students and parents:

- Ms. Love and office staff will maintain an updated list of all students and parents with phone numbers.

II. Students being picked up by their parents or other family members:

- Designated area for student pick-up will be the Auditorium. If the building is not accessible, a pickup area will be established in the main parking lot.
- Security staff will be positioned to assist and direct parents coming to pick up students to the Auditorium.
- Students will be dismissed to either parent/guardian and/or adult **only** with proper identification and a signed release form (parent letter).
- A sign-out sheet will be kept to record all students who are authorized to leave the building or school property.
- Students will be dismissed **only** with an in-person request. No students will be released by incoming or outgoing telephone calls.

EXIT PLAN - PHYSICAL DISABILITY EXAMPLE

If a student has a disability the exit plan below will be established at the beginning of each school year.

Student Name:

Class/Room/Teacher	Responsible Staff	Period of Day
	Advisory	
	A Day	
		1-A
		2-A
		3-A
		4-A
	B Day	
		5A/1-B
		6A/2-B
		7A/3-B
		8A/4-B

BOMB THREAT

- I. Person receiving bomb threat must:
 - Attempt to learn and record as many details as possible.
 - Leave phone off the hook after taking threat.
 - Immediately notify Principal or Designee and SRO– Please provide description, location and threatening action

- II. Principal and/or Designee – Investigate situation, contact School Resource Officer, Security
 - Pulls fire alarm
 - Calls 911 with necessary information
 - Notifies Superintendent, Director’s Office and Chief Reddish.
 - **Does Not** allow anyone to touch suspicious package, items, etc.
 - **Does Not** allow anyone to use any electronic equipment (radios, cell phones, walkie-talkies, MP’3, games, iPods, etc.).
 - **Follows Police/Emergency responders’ instructions.**

- III. Teachers, Staff and Students must follow Emergency Evacuation Steps located on page 8.

SCHOOL LOCKDOWN PROCEDURE Inside or Outside Threat

Lockdown Procedure

(Practiced every ninety (90) days – Coordinator: Dr. Parrish)

Lockdown Crisis Codes:

Lockdown: Code Red

Restricted Movement - Modified Lockdown: Code Blue

Limited Movement - Modified Lockdown: Code Purple

Clear Code: Code White

Distress Code: All Clear

Please Note: The distress code, “All Clear” will be used as a false code and everyone should remain in lockdown. Only “Code White” signifies that it is safe to end the lockdown.

I. Identify Threat

- Principal or Designee (Assistant Principal) initiates call for **LOCKDOWN – CODE RED.**
- Principal or Designee - Places call to 911, the Superintendent's Office (203-946-8888) and Director's Office (203-946-7871).
- Principal or Designee instructs clerks to make emergency calls (Chief Reddish and security, 203-497-7045).
- Principal or Designee and Security will meet emergency personnel upon arrival.

II. Security and Administration

- Will lock and secure all exterior doors (if possible).
- Turn bells off (if possible).
- Ensure all students and staff are in safe areas.
- Report to crisis management room

III. Classroom Teachers:

- Lock classroom door
- Cover classroom window
- Move students to a corner of the room that is not visible from the door.
- Check student attendance and destination logs
- Remain calm
- Ignore bells – Even at Dismissal.
- Teachers are to remind students that cell phone use is prohibited - open cell lines can be traced by an outside source - cell phone use could set off a detonator.
- No one is to leave the room under any circumstances, e.g., to go to the lavatory, or even if taken ill. NHPD suggests all staff consider emergency contingencies should this be an issue.
- If you have an emergency call x3100 or x3199 (Vault)
- If lockdown lasts for an extended period of time (45 minutes or more), Administrators will initiate calls to classrooms to check on status. Then, IF safe to travel in corridors, LIMITED travel to lavatories, Triage center will be allowed.

Teachers must keep classrooms locked until Principal or Designee ends the lockdown by stating **(CODE WHITE)**. **Please Note: ONLY the SAME Principal/Designee who called the CODE RED can announce CODE WHITE to exit the lock down procedure.**

- Key Personnel (teachers) used in emergency situations will be contacted, if necessary, when the general area is deemed safe.

IV. Students and staff out of classrooms:

- Dependent on the nature of and location of the threat, students and staff on the 1st floor during lockdown initiation will immediately go to the Guidance suite or the gym and wait to hear (Code White) announcement.
- Dependent on the location of the threat, students and staff out of class on the 2nd and 3rd floors will immediately go to the nearest classroom and wait for the (Code White) announcement. (Security and emergency staff will be available to direct these persons to a safe space).

V. PE classes

- Immediately move into boys locker rooms and wait for the (Code White) announcement.

VI. Passing Time:

- Students and teachers will immediately proceed into the nearest classroom. (Staff nearest to a classroom will secure the area according to the Lockdown procedure and wait for the (Code White) announcement.)

VII. Lunch Time:

- Students will be directed into the kitchen areas. Those students outside of the café are directed into the school store.
- If the threat is on the 1st floor, students and staff in the cafe may be asked to evacuate the area and report to the basement. Internal Cafeteria Doors Will Be Secured.

VIII. Media Center

- Students and staff in the media center will immediately move into the media room and lock the door.

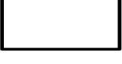

IX. Auditorium

- Students and staff in the auditorium will remain in the auditorium and all doors will be locked.

X. Staff without teaching responsibilities

- Designated staff without teaching responsibilities will report to the nearest secure room and help keep environment safe and secure until the (Code White) announcement.

NHPS SCHOOL LOCKDOWN CODES

LOCKDOWN CODE	ACTIONS
CODE RED 	The school's external and classroom doors are locked. Everyone moves to a corner or safe space in the room where they are not visible to persons outside of the room. No one is allowed in or out of the building.
CODE BLUE 	Modified lockdown in which the external and classroom doors are locked. There is no movement in hallways, but instruction can continue inside of classrooms. No one is allowed in or out of the building.
CODE PURPLE 	Modified lockdown in which the external doors are locked, but occupants are allowed to move around from one room to the next. No one is allowed in or out of the building.
CODE WHITE 	All clear status announced over the PA system by the same person who announced the initial code. Regular access to the building resumes.

OFF- SITE

If an emergency situation occurs that forces evacuation from school property all students and staff will head to the following two locations. Staff and students will be notified of this by the Principal or Designee.

Primary Location

John C. Daniels – Daniel Bonet, Principal
569 Congress Ave., New Haven, CT 06519
Phone: 203-691-3600 - Fax: 203-691-3605

Secondary Location

Casa Otoñal – Senior Center – Teresa DeSilva
135 Sylvan Avenue, New Haven, CT 06519
Phone: 203-773-1947

FIELD TRIP EMERGENCY PLAN

I. Staff on Field Trips

- All staff on field trips will have a list of students, provide the main office clerk with same list and prepare an emergency contact information list for each student.
- Teachers on field trips will leave a working cell phone/ number with main office clerk and class administrator.
- In the event of an extreme medical or security emergency during a field trip, the coordinator must immediately contact emergency responders at 911.
- Trip coordinator will then immediately contact the Principal at (475) 220-5000 and provide a full report and update current status.

MEDICAL PROTOCOL

Medical protocols are developed by the Department of Health Services for all students whose medical conditions require or may require assistance of school personnel. Classroom teachers and other staff who work directly with these students have information about the condition and a protocol to follow. Conditions which are almost always present in the student population and may require assistance include asthma, allergies, diabetes and epilepsy. For privacy reasons, a complete listing of students and their medications is kept on file in the school nurse's office. A copy will be kept in the Crisis Response Bag in the Administrative office on each floor.

Principal and/or Designee

- I. The Administration will determine and announce how the remainder of the school day will be handled.
 - Principal or Designee, if necessary, will convene a student body meeting in the auditorium or share information over the public announcement (PA) system.
 - The bell schedule will be adjusted as necessary.
- II. Communication
 - Principal or Designee will contact parents by way of ParentLink regarding: the Crisis and upon students and staff return to school.
 - The Communication Team will remain in place to handle their responsibilities, (i.e. phone calls/information, contacting appropriate personnel, ensuring student sign-out by parents/guardians and/or adult with proper identification.
 - In the event of a crisis taking place at the school (inside or outside) the NHPS ParentLink System will be activated after response from NHPS Communication Office.
- III. Triage
 - Visibly upset students will be brought to the main office conference room which will be staffed by Social Workers (**Diana Westefeld and Maria Silva**).
 - If determined necessary, a call will be made by the Counseling staff to the Supervisor of Pupil Personnel, Typhanie Jackson (475) 220-1784) and Social Work Supervisor (475) 220-1779, Johanna Champion if a district-wide crisis team is needed.
 - Administrators and Guidance Counselors will visit all classrooms and areas where students are placed to assess the extent of the emotional impact of the crisis and refer students/staff to triage center.
 - Any injuries to staff/student will be addressed by the school nurse (Caitlin Bruni) in the nurse triage wing.
- IV. Crisis Center
 - The nurse's office will be the Crisis Center for students/staff in need of medical and/or emotional support. This center will be manned by support staff (i.e. nurse, social worker, guidance counselors). It will be left to the discretion of the teacher as to which student should be directed to the Crisis Center.
- V. Crisis Updates
 - Students not in need of medical and/or emotional support and attention will remain in their classrooms
 - The Principal or Designee will provide accurate and frequent updates regarding the crisis over the public announcement system.
