

AP Modern World History Summer Assignment 2022

All students in Modern AP World History should read these two books:

"Siddhartha" by Herman Hesse

"Hiroshima" by John Hersey

Students should write at least one page of their thoughts reflecting on what they read for each book.

What did you learn about the life of Siddhartha and what did you learn about the people of Hiroshima and their experiences in surviving the Atomic Bomb that was dropped on them?

The two reflections will be graded after they are handed in when class starts.
