

A.P. U.S. History Summer Assignment (2018/19)

Mr. Merk

Congratulations on your choice to pursue advanced studies in U.S. History!

For your summer assignment, I would like you to purchase (or borrow) a copy of Don't Know Much about History by Kenneth C. Davis. You can get one from Amazon.com or elsewhere. Read the first two chapters ("Brave New World" and "Say You Want a Revolution"). *Using as much detail as possible*, provide an outline summary of the chapters. Make sure to include all of the main ideas *as well as relevant supporting details*. Any plagiarizing of your work will result in a grade of zero. This exercise will help establish a routine for how to properly summarize chapters (which will surely help you in college studies).

And obviously feel free to read (and summarize) more than the chapters assigned....

Have a nice summer!
